In the first series rolled at the Williamsburg Confectioners' alleys the Williamsburgers were returned the winners, but in a series rolled a few days later at Billie Cordes's Grand Central alleys, Brooklyn, the South Brooklyn Confectioners evened up matters. The series to be rolled May 9 will be rolled on strictly neutral alleys.

"Uncle Joe" Thum and a committee of bowlers, members of the United Bowling Clubs of New York, have all plans laid for the international bowling match, by cable, with the United Bowling Clubs of Stockholm.

### CARPENTIER COMING HERE TO BOX WINNER OF TUNNEY-GREB BOUT

Matchmaker Frank Flournoy of Madison Square Garden expects to receive word of the acceptance of his offer from Georges Carpentier regarding meeting the winner of the Gene Tunney-Harry Greb bout in the Garden May 23. The Frenchman is anxious to defend his world's light heavyweight title, which he won by stopping Battling Levinsky Oct. 12, 1920, in Jersey City.

Flournoy proposes to stage the bout at Boyle's Thirty Acres this summer. Of course the match will depend upon Carpentier being successful in his bout against Ted Lewis in London May 11.

Flournoy received a cablegram from Carpentier in which he said he planned to come here again this summer to box. Flournoy replied by making a proposition to meet the Tunney-Greb winner.
